

PRIVATE LABEL MASTIC

CHARACTERISTICS

Bi-component Italian mastic for marble and granite with brilliance and sturdiness similar to stone.

This product is ideal both for carrying out gluing operations on slabs of marble, granite and natural stones as well as for filling holes from porosity and imperfections on surfaces. It is available in three different formulations: tixo, semi-tixo and liquid. It's supplied with the hardener paste in jar or tube.

We also offer the opportunity to create your own brand, under private label.

FEATURES
polyester

TYPE
solid/fluid

SHELF LIFE
1 year

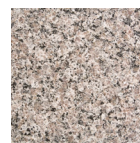

CONTAINER

APPLICATION

The surface to fill or to glue must be clean, dry and dust free. Add the hardener to the mastic according to ambient temperature and time of pot life desire (at 20° C add 2% of hardener; pot life 8 minutes). Mix well the two components and apply the sealant or marble/stone. Once cured, more or less after two hours it is possible to stand or polish the marble/stone as usual. Shelf life: 12 months from production date if well stocked.

APPLICATION MATERIAL

Granite

Marble

Natural stone
