

SOLID WAX

DESCRIPTION

HIGH WAX is a neutral wax with an exceptional polishing ability, able to even out imperfections caused by previous incorrect polishing. It is ideal for restoring brilliance and shine to old and opaque materials. Thanks to the repellent powder action, it is particularly suitable for bathrooms, kitchens, floors, tables and window sills. It has a high and lasting polishing capacity. This product is applicable on marbles, granites and natural stones.

INSTRUCTIONS FOR USE

HIGH WAX can be applied with a soft cloth on a perfectly clean and dust free surface. Apply the product on the surface, better if slightly heated to facilitate the absorption of the wax and obtain the desired effect. When the surface is dry, polish it with a soft clean cloth. Keep the room ventilated during the application and drying process.

TECHNICAL DATA

PHYSICAL STATE	solid
FEATURES	solvent-based
COLOR	white
PACKAGING AVAILABLE	750 ml
SHELF LIFE	12 months from the date of production
